

I Can't Help It (If I'm Still In Love With You)

By Hank Williams

[Capo 2]

E7 A E7 A A7 D A
Today I passed you on the street, and my heart fell at your feet.

E7 A
I can't help it if I'm still in love with you.

E7 A E7 A A7 D A
Somebody else stood by your side, and (s)he looked so satisfied.

E7 A
I can't help it if I'm still in love with you.

D A
A picture from the past came slowly stealing
E7 A A7
As I brushed your arm, and walked so close to you.

D A
Then suddenly I got that old time feeling
E7 A
I can't help it if I'm still in love with you.

[Instrumental verse]

D A
It's hard to know another's lips will kiss you
E7 A A7
And hold you just the way I used to do.

D A
Oh, heaven only knows how much I miss you
E7 A
I can't help it if I'm still in love with you.

E7 [ritard] A E7 A
I can't help it if I'm still..... in love with you.
