Yes on 2/20 Belmont and looking forward to 2/22.

I think we should pick songs in advance of practice - I would certainly like to practice them. My song ideas (all "unplugged", i.e. no electric guitar), in descending order of preference:

- * Let's Go Home Joe
- * The Rose
- * River
- * City of New Orleans
- * Ripple
- * Here Comes the Sun
- * Teach Your Children

I suggest that we find two we all like, and possibly one or two more in the unlikely event of an encore call (or the more likely event that the evening's time slots aren't all full).

What songs do you guys want to do?
