Written by: Hank Williams. Arrangement per Linda Ronstadt on "Heart Like a Wheel"

**Intro: ... F#7 - B -**

**B -**  
Today I passed you on the street

**E B**  
And my heart fell at your feet

**F#7 - B -**  
I can't help it if I'm still in love with you

**- -**  
Somebody else stood by your side

**E B**  
And she looked so satisfied

**F#7 - B B7**  
I can't help it if I'm still in love with you

**E - B -**  
A picture from the past came slowly stealing

**F#7 - B B7**  
As I brushed your arm and stood so close to you

**E - B -**  
Then suddenly I've got that old time feeling

**F#7 - B -**  
I can't help it if I'm still in love with you

**Instrumental: (Same as verse)**

**B - E B F#7 - B - - - E B F#7 - B B7**

**E - B -**  
It's hard to know another's lips have kissed you

**F#7 - B B7**  
And held you just the way I used to do

**E - B -**  
Heaven only knows how much I've missed you

**F#7 - B -**  
I can't help it if I'm still in love with you

**F#7 - [ritard] B B.F#7.B**  
I can't help it if I'm still in love with you
