E A7 A7/G A7/F# A7/E

D A
Baby Beluga in the deep blue sea, swim so wild and you swim so free

A7 D
Heaven above and the sea below, and a little white whale on the go

G D
Baby Beluga, oh Baby Beluga

E A7
Is the water warm? Is your mother home with you so happy

way down yonder where the dolphins play
where you dive and you splash all day
The waves roll in and the waves roll out
See the water squirting out of your spout - whoop!

Baby Beluga, oh Baby Beluga
Sing your little song, sing for all your friends, we like to hear you

["Instrumental": D A A7 D]

when it's dark and your home in your bed
Curled up snug in your waterbed
The moon is shining and the stars are out
Good night little whale, good night

Baby Beluga, oh Baby Beluga
with tomorrow's sun, another day's begun, you'll soon be waking

Baby Beluga in the deep blue sea, swim so wild and you swim so free
Heaven above and the sea below, and a little white whale on the go

A7 D
You're just a little white whale on the go
